CATHOLIC SCHOOL

HEADS UP!

We are RESPONSIBLE - TAKOHANGA

This means that we will follow in the footsteps of Jesus
like Saint Mary MacKillop and

'Do all we can to assist and love one another.'

I am responsible. I give my best to all that I do and keep my agreements.

I learn from my mistakes. I am willing to forgive and reconcile.

'Love one another. Just as I have loved you, you also should love one another'

(John 13: 34-35)

OUR FAITH

Sharing the Gospel - John 16: 12-15. TRINITY SUNDAY

Jesus said, 'I still have many things to say to you, but you cannot bear them now. When the Spirit of truth comes, he will guide you into all the truth; for he will not speak on his own, but will speak whatever he hears, and he will declare to you the things that are to come. He will glorify me, because he will take what is mine and declare it to you. All that the Father has is mine. For this reason I said that he will take what is mine and declare it to you.'

In this Sunday's Gospel Jesus reminds his disciples that everything they are learning comes originally from the Father through the Son and from the Son through the Spirit. These are not three separate revelations but one message that emanates from each one successively.

St Francis Xavier's favourite prayer was: "Most Holy Trinity, who live in me, I praise You, I worship You, I adore You and I love You." Let the Son lead us to the Father through the Spirit, to live with the Triune God forever and ever. Amen." (Fr. Tony Kadavil).

COVID-19

This week there have been 8 new cases of COVID-19 reported. As well as COVID-19 there have been many children having to go home for a range of reasons, including Norovirus, high temperatures and generally being unwell. It is therefore important that you follow these Health and Safety guidelines:

- Wear a mask when on site in indoor spaces
- If a child is sick they need to stay at home
- Year 4 up are strongly recommended to wear masks indoors
- Sanitise / wash hands regularly

At school we also regularly clean surfaces, provide adequate ventilation in learning spaces and teach the children about hand hygiene.
